

Part two: Choose one root from this week's list, and enter below as many words as you can find that contain it. Use *Writer's INC*, a dictionary, or any other source for help:

Word examples of the root _____:

_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

Part three: Write a paragraph (including a topic sentence) using at least five different **word examples** from this week's list. A separate sentence should be used for each word.

Part four: List as many words as you can that contain at least two word parts from this week's list (extra credit on test!):

_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
