ARTICLE I
RECOGNITION

Pursuant to the provisions of Chapter 150E of the General Laws of Massachusetts, this Agreement is made by the School Committees of Martha's Vineyard and the Martha's Vineyard Educators Association. The Union Committee, The Martha’s Vineyard Regional High School District Committee, the Up-Island Regional School District Committee, and the School Committees of the various towns (hereinafter referred to as the Committee) recognize the association for the purpose of collective bargaining as the exclusive representative of a unit consisting of all regular full-time and part-time Educational Support Professionals employed by the Martha’s Vineyard Regional High School District Committee and the School Committees of Tisbury, Oak Bluffs, and Edgartown, excluding all managerial and confidential employees and all other employees of the Committees.

Unless otherwise indicated, the employees in the above unit will hereinafter be referred to as Educational Support Professionals and references to female Educational Support Professionals will include male Educational Support Professionals.

The Committee agrees not to negotiate with any organization other than the above-named Association as the exclusive bargaining agent pursuant to M.G.L. Chapter 150E.

ARTICLE II
MANAGEMENT RIGHTS

The Committee is a public body established under and with powers provided by the Statutes of the Commonwealth of Massachusetts, and nothing in this Agreement shall be deemed to derogate from, or impair, any power, right or duty conferred upon the Committee by statute or by any rule or regulation of any agency of the Commonwealth.

Subject only to the terms set forth herein, and as to every matter not specifically mentioned or provided for in this Agreement, the Committee retains all powers, right and duties that it has by law and may exercise the same at its discretion without any such exercise being made the subject of a grievance and/or arbitration procedure hereunder.

ARTICLE III
GRIEVANCE PROCEDURE
A. GENERAL

1. The term “grievance” shall mean a complaint that there has been a violation or misinterpretation of any of the provisions of this Contract as applied to an employee or a group of employees.

2. Failure to institute a grievance within the time limits set forth in this Article shall be conclusively deemed a waiver of all rights under this Article.

B. PROCEDURE

1. Level One - Immediate supervisor:

An employee with a grievance shall present it in writing to their immediate supervisor within ten (10) school days of the event on which the grievance is based.

2. Level Two - Principal:

If the grievance cannot be settled at Level One, the original written grievance may be submitted to the principal within ten (10) school days of the receipt of written notification of an adverse decision by an immediate supervisor. When a group of employees allege a grievance, a class action may be brought and may be initiated at the principal’s level. The Principal will provide a written response within ten (10) school days of receipt of the grievance.

3. Level Three - Superintendent of Schools:

When and where appropriate, the matter may be brought to the attention of the Superintendent of Schools within ten (10) school days of an adverse decision at Level Two. The Superintendent will provide a written response within ten (10) school days of receipt of grievance.

4. Level Four - School Committee:

Should the matter remain unresolved at Level Three, the written grievance may be brought to the attention of the appropriate School Committee within ten (10) school days of an adverse decision by the Superintendent of Schools.

5. Level Five - Arbitration:

If the grievance has not been resolved by the School Committee to the satisfaction of the Association, the Association may advance the grievance to arbitration by giving written notice to the School Committee and by filing, within fifteen (15) school days after receipt of the School Committee decision, a demand for arbitration to the American Arbitration Association, for disposition in accordance with their rules. The request shall contain a statement of the grievance which shall be substantively similar to the written statement of the
grievance filed with the Committee. The Arbitrator’s decision will be final and binding and in writing and will set forth his/her findings of fact, reasoning, and conclusion on the issues as submitted by the parties.

The arbitrator is without authority to render a decision which requires the commission of an act prohibited by law or that violates the terms of this Agreement.

All cost for the services of the arbitrator shall be borne equally by the parties.

The arbitrator shall be without power or authority to render a decision which would alter, add to, or detract from or modify the terms of this Agreement or which involves any matter which by law or under the terms of this Agreement is within the exclusive authority or direction of the School Committee.

No arbitrator shall have the power or authority to make any award retroactive beyond thirty (30) school days prior to the date of the initial filing of the grievance.

ARTICLE IV
DEFINITIONS

The Committee retains the right to use Educational Support Professionals interchangeably. The Committee shall not interchange Educational Support Professionals as a means of reprisal.

It is recognized that the teacher is primarily responsible for the conduct of the classroom and the design of curriculum and instruction. An Educational Support Professional’s job description will not include: designing lesson plans and assessments, relaying information to parents regarding students, or attending parent conferences. In the absence of the classroom teacher, in which the Educational Support Professional has chosen to take on the role of a substitute teacher, the Educational Support Professional will be compensated in accordance with Article XXIV.

A full-time Educational Support Professional is one who has been assigned to work on a regular basis at least thirty (30) hours per week.

ARTICLE V
NON-DISCRIMINATION

This Agreement shall be administered impartially and without regard to age, race, color, sex, age, religion, national origin, sexual orientation or disability.
ARTICLE VI

Educational Support Professionals will be hired on a year-to-year basis. ESPs will be notified in writing by June 1 whether or not they are to be rehired.

ARTICLE VII

Educational Support Professionals who are non-renewed will have the right, if they so elect, to appear before the Superintendent, with a representative of their choice.

ARTICLE VIII
WORK YEAR

The normal length of the contract year shall be one hundred eighty four (184) work days. This contract year shall include one hundred eighty (180) pupil days; two (2) preparation days before pupils report; one (1) professional day, which will be the day prior to the two (2) preparation days; and one (1) day that will be in exchange for their attendance at one staff meeting per month as scheduled by their building principal. Additionally, ESPs will be allowed to leave their buildings at 1:00 PM on parent-teacher conference days. The work year for part-time employees will be determined prior to the commencement of each school year and will not be reduced during the school year unless a reason is given.

New hires may be required to work the two (2) days immediately before the professional development day at the beginning of the year. Returning employees may be required to work the day immediately preceding the professional development day at the beginning of the year. All employees may be required to attend PD on the October PD day. In every case, employees must be notified in writing twenty one (21) calendar days prior to the date(s) required and they will be paid at their current hourly wage for the time worked.

Part-time employees may be required to work two (2) days immediately before and two (2) days immediately after the school year, at the discretion of the building administrator, and they will be compensated at their current wage. Full-time employees may be required to work two (2) days immediately after the school year, at the discretion of the building administrator. If employees are required to work immediately before or after the school year, they will be so notified at least fourteen (14) calendar days prior to the commencement of the additional work.

The employees covered by this contract agree to select representatives among them to participate in a study group to be formed by the Superintendent of Schools to look at the feasibility of creating year-round positions in the Shared Services Programs to address Extended School Year needs. Additional
members of this committee will be agreed upon by the Assistant Advisory Board, union leadership, and the Superintendent.

The day before Thanksgiving shall be counted as a full day for pay purposes, but Educational Support Professionals will be dismissed at the same time as teachers.

ARTICLE IX
JOB ASSIGNMENT AND HOURS

The school district reserves the right to determine the number, schedule and assignment of all Educational Support Professionals. Hours and workloads will be described in the individual work agreement. Such assignments, hours and workloads as determined prior to commencement of each school year, will not be reduced during the school year without a given reason. Educational Support Professionals will be assigned to such duties with input from the direct supervisor and the building administrator. These hours will be: High School – 6.75 hours; Elementary Schools – 6.25 and 6.5 hours for 2016-2017, and then all 6.5 hours beginning in the fall of 2017.

Every effort will be made to notify employees in writing of their assignment for the year by August 1, stating hourly wage.

Educational Support Professionals will not be required to attend field trips, professional day workshops (outside of the one agreed upon professional day) and open houses which extend beyond the normal work day. If an Educational Support Professional participates in a field trip, professional day workshop, or open house as assigned by the building principal, he/she will be paid for his/her hourly rate for hours worked. Educational Support Professionals who volunteer to attend field trips that extend beyond the normal work day will not be compensated for their hours worked beyond the normal school day. Any time over forty (40) hours must be compensated at time and a half as per the Fair Labor Standards Act.

ARTICLE X
LEAVE

A. SICK LEAVE

Full-time Educational Support Professionals will receive fifteen (15) days of sick leave each year for absences resulting from illness or accident to the Educational Support Professionals. Such sick leave may accumulate, to the extent it is not used, up to one hundred fifty (150) days. Part-time Educational Support Professionals will have sick leave pro-rated on the basis of their assignment hours and will be allowed to accumulate sick leave up to one hundred twenty (120) days.
An Educational Support Professional’s personal sick leave days may be used in the event of serious family illness (i.e. mother, father, spouse, or children). An employee’s sick leave days may be used in the event of a death in the immediate family (i.e. mother, mother-in-law, father, father-in-law, spouse, brother, sister, or child).

The Superintendent may at his discretion, request a doctor’s certification of any illness which is the basis for use of sick leave. The sick leave allowable for any year shall be available in full at the commencement of the year.

After fifteen (15) years of continuous service, Educational Support Professionals retiring from a local school system shall be paid for accumulated sick leave at the rate of twenty dollars ($20.00) per day. Upon the death of an Educational Support Professional who has worked for a local school system for fifteen (15) or more years, his/her estate will receive payment for accumulated sick leave at the above rate.

An Educational Support Professional moving to a teaching position within the same school shall retain his or her accumulated sick days.

B. BEREAVEMENT LEAVE

The Committee shall give an employee a reasonable leave of absence with pay because of a death in the immediate family or siblings, in-laws, grandparents or grandchildren, for a period not to exceed three (3) days. An employee may take two (2) additional days leave of absence for this purpose, which will be deducted from his/her sick leave. "Immediate family" as used in this section, includes parents, spouse, children and spousal equivalents.

C. PERSONAL LEAVE

Each Educational Support Professional shall be allowed up to five (5) days of leave with full pay during each school year, for the purpose of transacting or attending to personal, legal, business, religious, household or family matters which require absence during school hours. No more than three (3) of these days may be used consecutively. However, upon notification to and approval by the principal, an Educational Support Professional may use more than three days consecutively, for valid reasons. It is the intention of the parties that leave under this article shall be available for reasons of hardship or pressing need and not merely for personal convenience. Decisions of the principal in this regard shall not be grievable or arbitrable. The days used as personal days shall be deducted from sick leave.

Personal days shall not be used to extend legal holidays or vacations. However, upon notification to and approval of the building principal, an Educational Support
Professional may use personal days for valid reasons as set forth above on the
day before or after a holiday or vacation without pay.

D. EXTENDED LEAVES WITHOUT PAY

1. Maternity leave without pay shall be granted in compliance with applicable
   state and federal laws and regulations.

2. Other leaves without pay may be granted by the School Committee at its
discretion. Due consideration will be given to each request.

For those employees who have served for more than three (3) consecutive
school years, approval of said request for leave may not be unreasonably
withheld.

All benefits and wages to which an employee was entitled at the time of his/her
leave of absence commenced shall be restored to him/her upon return, and (s)he
shall be returned to a comparative assignment within the school to that which
(s)he held immediately prior to going on leave.

E. JURY/COURT LEAVE

An Educational Support Professional who is required to serve jury duty or who is
subpoenaed to court in a case in which he/she is not a party will receive leave
with pay to fulfill said obligation. The Educational Support Professional must
reimburse the school for fees received in serving this obligation.

F. SICK BANK

A Sick Bank has been established for the purpose of making additional sick leave
days available to Educational Support Professionals (ESPs) who have been
employed by the Martha's Vineyard public School for at least one (1) year, who
have exhausted their entire sick leave accumulation and who have a serious
illness or injury or whose child under the age of 21 has a serious illness or injury.

The Sick Leave Bank will acquire its assets through a mandatory donation of two
(2) days per ESP member in September 2016. From that date forward, first-year
ESPs in the Martha's Vineyard Public School System shall contribute two (2)
days to the Sick Leave Bank. The initial grant of sick leave by the Sick Leave
Bank Committee to an eligible employee shall not exceed thirty (30) days.

Upon completion of the thirty (30) day period, the period of entitlement maybe
extended by the Sick Leave Bank Committee upon demonstration of need by the
applicant.
A Sick Leave Bank shall be administered by a Sick Leave Bank Committee consisting of six (6) members. Three (3) members shall be designated by the Committee to serve at its discretion and three (3) members shall be designated by the Association. The Sick Leave Bank Committee shall determine the eligibility for the use of the Bank and the amount of leave to be granted. In the case of a tie vote, the matter shall be resolved in favor of the applicant. The following criteria shall be used by the Committee in administering the Bank and in determining eligibility and amount of leave.

1. Adequate medical evidence of serious illness.
2. Prior utilization of all eligible sick-leave.
3. Length of service in any of the school systems.
4. Propriety of use of previous sick leave.

If the Sick Leave Bank is exhausted, it shall be renewed by the contribution of one additional day of sick leave by each member of the ESP staff covered by this Agreement who has accrued ten (10) or more sick days. The Sick Bank Committee shall determine the time when it becomes necessary to replenish the Bank.

D. Evaluations will be conducted annually by the Director of Special Education, or building Principal, or Assistant Principals, where applicable. An Educational Support Professional’s evaluation will include input from all teachers with whom he/she works.

E. Each Educational Support Professional shall be given a copy of any formal evaluation and will have the right to discuss said evaluation with his/her supervisor at the end of the year. The ESP may submit a written response which would be included in the personnel file.

ARTICLE XIII
REDUCTION IN FORCE

When and if the Committee reduces the number of employees included in the bargaining unit, the Committee shall make a reasonable effort to accomplish said reductions by attrition.

In determining the order in which Educational Support Professionals are to be laid off within their bargaining unit the Committee shall consider seniority, overall competence and the needs of the school. In considering competence, evaluations shall be considered.

Employees who have served more than three (3) consecutive school years and who have been laid off under the terms of this Contract shall be allowed a recall period of twelve (12) months from September 1 immediately following layoff.

ARTICLE XXII

NEGOTIATION PROCEDURE

The Committee and the Association agree to enter into negotiations over a successor agreement no later than December 15 of the year preceding the expiration of this Contract.

ARTICLE XXIII

NO STRIKE CLAUSE

The Association, on its own behalf and on behalf of each employee in this unit, agree that during the term of this Agreement it will not authorize, approve, participate in, or in any way encourage any illegal strike, illegal work stoppage, illegal slow-down, or the illegal withholding of services. The Association further agrees that any employee covered by this Agreement who violates this provision, or any part thereof, subjects himself or herself to disciplinary action.
ARTICLE XXIV
PAY FOR SUBSTITUTING FOR A TEACHER

ESPs, on occasion, will be asked to perform the services of a substitute teacher. If an ESP performs the services of a substitute teacher for more than thirty (30) minutes, he/she will be paid a stipend of ten dollars ($10.00) per hour. At the end of each two (2) week pay period, the total number of substitute hours will be calculated and rounded to the next hour. In the case of short-term substitute situations, when a Principal determines to utilize a substitute teacher in a classroom, the Educational Support Professionals assigned to that classroom will be given first option to serve as the substitute teacher. This does not apply to long-term substitute situations and only applies if the Principal determines to utilize a substitute teacher on any given occasion. If the Principal feels it will create a hardship for students if certain ESPs are pulled to substitute, he/she will meet with the ESP involved as well as a union leader, to discuss and resolve the issue. This Article does not operate to guarantee that a Principal will determine to utilize a substitute teacher, nor does it guarantee that in the case that the ESP serves as a substitute teacher, that the Principal will hire a substitute ESP for that classroom. This applies only when an ESP is substituting for a teacher. Staffing decisions are a managerial prerogative.

ARTICLE XXV

Educational Support Professionals, whose assignments include working with intensive special needs students when determined by the administration, shall receive a differential of four dollars ($4.00) per hour in addition to the regular hourly rate, for all hours during which they are providing direct services to such students. Determination of payment will be based upon the language in Appendix A. Additionally, all ESPs receiving the four dollars ($4.00) differential may be required to stay after school for one (1) hour per week for a staff meeting, for which they will be paid their hourly salary plus the differential.

Educational Support Professionals working with students with intensive special needs will be required to undergo appropriate training sponsored by the School District.

Should an Educational Support Professional fill in for another Educational Support Professional who receives this additional stipend, he/she will only receive the stipend if he/she has received the appropriate training.
ARTICLE XXVI
ACCOUNTABILITY FOR TIME

Educational Support Professionals agree that each member will be responsible to account for his/her time spent working as Educational Support Professionals in accordance with the process and form established by the Superintendent and/or his designees.

ARTICLE XXVII
PROTECTION/ASSAULT

Employees shall report all cases of assault upon employees acting in the line of duty to their immediate supervisor and or principal. The immediate supervisor and/or principal and the employee shall conduct an investigation of each incident of alleged assault upon an employee acting in the line of duty. The Superintendent shall comply with any reasonable request from an employee for relevant information in the Committee’s possession, not privileged under law, concerning the person or persons allegedly involved in an assault upon the employee.

All newly hired ESPs will participate in de-escalation training within their first year of employment at the expense of the District. Previously trained employees will participate in re-certification training, at the expense of the District, each year it is required.

ARTICLE XXVIII

Smoking is strictly prohibited in school buildings or on school grounds.

ARTICLE XXIX

The Association shall distribute copies of this Agreement to each employee presently employed (within thirty [30] days after the signing of this agreement or by its effective date, whichever is later) and to each new employee hired during the term of this Agreement.
ARTICLE XXXI
SCOPE OF AGREEMENT

A. This Agreement constitutes the sole and entire Agreement between the Committee and the Association arrived at as the result of collective bargaining negotiations, except such amendments hereto as shall be reduced to writing and signed by the parties.

B. The Parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands with respect to any subject or matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Committee and the Association, for the life of this Agreement, voluntarily and unqualifiedly waive the right to bargain collectively and agree that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been in the knowledge or contemplation of either or both parties at the time this Agreement was signed.

ARTICLE XXXII
DURATION

This Contract shall become effective the First Day of September, 2019 and shall continue in effect to and including the Thirty-first day of August, 2022, and shall be automatically renewed from year to year unless by December 15 in any succeeding year, either party notifies the other in writing of its desire to terminate the Contract.

The Wage Scale included herein shall be in effect for the period of September 1, 2019 to and including August 31, 2022 or as extended in successive years by mutual agreement of the parties hereto.
