Messages are checked periodically throughout the day as our office is currently closed.

If you need a work permit application please visit:

www.mass.gov/ago/youthemployment, or one can be emailed to you

Minors will need to obtain the job first and have the employer complete the promise of employment

If you are 14 or 15 you will need a physician's signature as well as your parents and your signature on the application

Once the application is completed and returned to us then we can issue the actual permit that goes to the employer
