Protocol: State-wide changes to reopening phases

Early in August, Governor Baker has announced that the Commonwealth will remain in Phase 3 of Reopening Massachusetts in significant part to help support an overall environment for the safe return to our schools for as many students, staff and teachers as possible.

If Massachusetts moves back into a prior phase, or further changes are made in Phase 3, DESE (in consultation with the Massachusetts COVID-19 Command Center) will communicate with school districts and schools to determine whether in-person school should continue. As the transmission of the virus can vary due to local circumstances and actions, these potential recommendations may be by locality, region or statewide.
