I. Call to Order

The All-Island School Committee (AISC) meeting was called to order at 8:01am.

II. Recertify FY25 Shared Service Budget Assessments

Chair Houghton informed the committee that they were discussing changing the allocation based on shared service numbers which will change the shares for Oak Bluffs and Edgartown, the other towns remain the same. SBA Friedman explained the way the shares are calculated and that when this was presented it was preliminary numbers but after plugging in the actual numbers it resulted in a change for those two towns. He reiterated that the line items and the bottom line did not change, just the way number was allocated to the towns. The result is that the Edgartown share will decrease by \$5,995.08 and the Oak Bluffs share will increase by \$5,995.08.
